WORDS FROM FOUNDER OF SHINING LIFE CHARITY

前言

We are delighted and grateful to be the beneficiary of Festive Chamber's "Shining Life" Charity Concert!

Shining life is a charity organization which is dedicated to support teenagers and rehabilitated people in building their self-esteem, and encouraging marginal youth to get back to the right direction. Through engaging in school tours and sharing session, inspiring students on how they value and perceive themselves, and setting their goals in life.

We also partnered with Institutes for Creative Arts and Therapy where a music therapy singing centre has been launched to help students and those with depressions and other mental wellnesses.

"Train up a child in the way he should go: and when he is old, he will not depart from it" (Proverbs 22:6)

We also composed and produced music with positive messages and releasing them online for those who are in needs, helping them to find strength and comfort through music.

For more information, please visit our website at www.ShiningLifeCharity.com.

I hope you'll all enjoy the show tonight.

WORDS FROM CHAIRPERSON OF FESTIVE CHAMBER CHOIR 前言

Welcome to the "Shining Life" Charity Concert 2019 presented by Festive Chamber Choir!

This year we are delighted to collaborate with Shining Life Charity Organization founded by Ms Jade Kwan, who share the same belief with us.

Music has no boundary, so does positive energy! In life, we are always facing time of difficulties. In the musical play "Shining Life", the 3 main characters are top student, well-respectable doctor and a successful banker, however there is an air of melancholy surrounding them. With beautiful tunes and words like the fairies in the musical play, we spread positive energy and loving messages around the world and make it into a better place.

"Life seems to go on without effort when I am filled with music." ~ George Eliot, The Mill on the Floss

On behalf of the Festive Chamber, I would like to express my deepest gratitude to the principals of participating schools for their continuous support to the choir in perusing their dreams through music.

Heartfelt thanks to our Honorary Advisor and Conductor, Dr Allison So, and Artist Director, Mrs Betty Tham, who keep on pushing us beyond our limits to accomplish our dreams!

Special thanks to the concert committee and production team! Last but not least, patrons like yourself, as there is no Good Show without Great Audiences!

Looking ahead to 2020, we are exciting that Festive Chamber will be celebrating 10th Anniversary, we promise to continue bringing more good music and, spreading joyful messages and positive energy to those who are in need.

Hope you will enjoy our show tonight!

CONGRATULATORY NOTES

賀詞

Music gives inspiration;
Music heals wounds that medicine can't touch.
Big thanks to all the musicians for spreading positivity with their wonderful
music this evening.
Cheers!

Lancy Tam
Principal of Law Ting Pong Secondary School

It is true that music helps us express our emotions. The fact that music can be so
incredibly powerful means it is a great benefit to many people, for example, the
use of music therapy allows people in need to express themselves and to interact
in a non-verbal way.

Our students are thrilled to be able to share some beautiful music through a choir
performance that depicts the romantic feelings found in the four seasons.

I would like to express my sincere gratitude to Shining Life Limited for giving our
students an opportunity to make a positive contribution to society by
participating in your fundraising concert. We are also pleased to share in your
vision of helping students realise their own self-worth and value.

Congratulations to all the devoted and brilliant performers tonight and may the
concert be a great success!

Ms Ip Miu Ngan
Principal
St. Teresa Secondary School

SYNOPSIS OF "SHINING LIFE"

「燃亮生命」劇情撮要

Fairy Cheerie, Fairy Gentie and Fairy Serie watch from heaven and notice that a number of people are not happy on earth, even those talented, wealthy, well educated or handsome high achievers.

Abby is a top student in an elite school, much loved and well supported by parents. Doctor Kenny works very hard. Though coming from a poor family, he is now a famous doctor, admired by colleagues around him. Donald is a successful banker and is well respected by his partners and subordinates.

However, they are trapped by their emotional problems and are at the edge of giving up themselves until the three fairies appear who listen to them, encourage them to open up themselves. The three fairies inspire people with music, urge them to be each other's angels by being compassionate, empathetic and listening to friends in need.

仙子Cheerie、Gentie和Serie從天上觀看，發現凡間的一些人正悶悶不樂，而當中不乏富有才幹的、家境富裕的、富有教養的或功成名就的人。

Abby是頂尖學校內的尖子，受父母的百般支持與呵護；出身自窮乏家庭的醫生Kenny兢兢業業，至今漸露頭角，受同事所愛戴；Donald是一位成功的銀行家，亦備受合夥人與下屬的尊重。

可是，他們都受情緒問題所困，甚至一度徘徊在自殺邊緣，直至三位仙子出現傾聽他們的心聲，鼓勵他們重新振作。三位仙子用悠揚的音樂啟發身邊的人，鼓勵他們變得有同情心，願意傾聽需要幫助的朋友，讓他們成為彼此的天使。

ST. TERESA SECONDARY SCHOOL CHOIR

德蘭中學合唱團

St. Teresa Secondary School has been keen on developing students' creativity and unleashing their potential in arts. Students are encouraged to participate in a wide spectrum of arts activities.

As one of the subjects in the arts education key learning area, music plays a vital role in developing a love of the arts in students. Researches have proved, time and again, that music makes one smarter, happier and more productive. Therefore, the Music Department has implemented the "One Student, One Musical Instrument Scheme" as part of its curriculum. In addition, we also run a wide variety of musical instrument lessons before class. It is also our firm belief that music education at school is incomplete without a choir and a band. So, the school has set up a choir and a wind orchestra. Through systematic vocal and orchestral training, students have learnt to achieve vocal unison and tonal harmony in their performances. Besides, they have also developed the ability to appraise and appreciate music.

With the concerted efforts of our students and music teachers, the school choir and the wind orchestra have won numerous awards, from solo and group singing to instrument recitals. This has greatly boosted students' confidence and motivated them to reach even greater heights in the future.

To spread the joy of music, our school choir and wind orchestra have been active in joining different community activities. We have been invited to perform on a host of occasions, for instance, the Concert of Ten Thousand Voices and the Kowloon City Joint School Concert as well as Christmas carol performances in hotels and malls.

Music is for life. By engaging students in various musical experiences, we hope that they can discover the joy of music, make it a part of their lives and continue to love it after they graduate from school.

OPENING

SOMEWHERE OVER THE RAINBOW text by Yip Harburg/ music by Harold Arlen

Somewhere over the rainbow
Way up high,
There's a land that I heard of
Once in a lullaby.

Somewhere over the rainbow
Skies are blue,
And the dreams that you dare to dream
Really do come true.

Someday I'll wish upon a star
And wake up where the clouds are far
Behind me.
Where troubles melt like lemon drops
Away above the chimney tops
That's where you'll find me.

Somewhere over the rainbow
Bluebirds fly.
Birds fly over the rainbow.
Why then, oh why can't I?

(Repeat)

If happy little bluebirds fly
Beyond the rainbow
Why, oh why can't I?

"SHINING LIFE"

SCENE 1 - FAIRIES' PROLOGUE

AS LONG AS I HAVE MUSIC text by Don Besig and Nancy Price / music by Don Besig

When the world seems far beyond me, and I have no place to go;
When my life seems cold and empty and I feel I'm all alone.
Then a song that I remember helps to ease my troubled mind,
and I find the strength within me to reach out just one more time.
For as long as I have music, as long as there's a song for me to sing.
I can find my way, I can see a brighter day. The music in my life will set my spirit free!
When the road is dark and lonely, and I feel I want to cry;
When the dreams I kept inside me seem to fade and almost die.
Then I call upon my music, and it helps to dry my tears.
And I know that I can make it; I'll go on despite my fear. Set it free!

SCENE II - THREE STORIES

AS THE RAIN HIDES THE STARS text and music by Elaine Hagenberg

As the rain hides the stars. As the autumn mist hides the hills. As the clouds veil the blue of the sky.
So the dark happenings of my lot hide your shining face from me.
Yet if I may hold your hand in the darkness, it is enough.
Though I may stumble in my going, though I may stumble you do not fall.

SCENE III - EXASPERATION STUDENT'S WORRY

STARLIGHT, STARBRIGHT text and music by Pete Seeger / arranged by Susan Brumfield

Starlight, starbright, first star I see tonight.
I wish I may, I wish I might have the wish I wish tonight;
That always may your love be shining bright;
Just like that first star that I see tonight.
Stars give, stars shine, makes our whole world seen fine.
But stars can do just what they do; all the rest is up to you.
So forever never let peace out of sight.
Just like that first star that I see tonight.
As your bright and tiny spark lights the traveller in the dark,
Though I know not what you are.
When the blazing sun is gone, when he nothing shines upon.
When you show your little light, twinkle twinkle all the night.
Twinkle twinkle little star/ Starlight, Starbright, first star I see tonight.
I wish I may, I wish I might have the wish I wish tonight.
Star song, love song,
I hope it won't be long before you're home and in my arms.
Then we'll both be safe from harm.
And then we'll know our love is shining bright;
Just like the first star that I see tonight.

DOCTOR'S FEAR

WILL YOU TAKE MY HAND text and music by Jim Papoulis / edited by Sophia Papoulis

Moving through the darkness, searching for a sign.
Will there be an answer, helping us on our way?
Will you take my hand with an open heart, will you take my hand for peace?
If we're falling down, life each other up, will you reach out your hand to me?
Take a look around us, listen to the cries.
If we stand together, love finds a way to grow.
Stand up tall, take my hand, nothing will divide us.
Stand up tall, use your voice, freedom will unite us.
If you see my eyes, will you take my hand?

BANKER'S ANXIETY

RIBBONS IN THE SKY text and music by Andy Beck

After rain, after thunder, at the calming of the storm,
When the sun returns, shining brightly, coloured ribbons start to form.
After the rain is done, look for a rainbow in the sun.
After the storm completely passes by, look for a rainbow, ribbons in the sky.
Look for red, look for orange, look for yellow, green, and blue.
Look for indigo, look for violet, every colour every hue.

SCENE IV - PLEASE STAY

TO A FRIEND text by Amy Lowell / music by Giselle Wyers

Ah I ask but one thing of you, only one.
That always you will be my dream of you;
That never shall I wake to find untrue.
I have believed and rested on
Forever vanished like a vision gone out into the night.
Ah Alas, how few there are who strike in us a chord we knew Existed.
We tremble at the half forgotten sound.
The world is full of rude awakenings
And heaven born castles shuttered to the ground.
Yet still our human longing vainly clings
To a belief in beauty through all wrongs.
Stay your hand, and leave heart its songs.

HOPE text by Emily Dickinson / music by Bruce W. Tippet

Hope is a thing with feathers that perches in the soul,
And sings the tune without the words and never stops at all. Ah.
And sweetest in the gale is heard;
And sore must be the storm that could abash the little bird that kept so many warm.
I've heard it in the chilliest land and on the strangest sea.
Yet, never, in extremity, it asked a crumb of me.
Ah Hope.

PLEASE STAY text and music by Jake Runestad

No! Don't go!
Don't let your worst day be your last.
The storm is strong but it will pass.
You think you can't go on another day, but please stay. Just stay.
Hope is real. Help is real.
You are breath, you are life, you are beauty, you are light.
Your story is not over.
You are not a burden to anyone.
Please stay. Just stay.

SCENE V - MUSIC OF HOPE

MY NAME IS MUSIC text and music by Cristi Cary Miller

I am the wind in the aspen trees.
I am the roar of the rolling seas.
I am the call of a mighty bird.
I am the voice of a spoken word.

I am the hush of a gentle rain.
I am the top on a window pane.
I am the calm of a lullaby.
I am the sound of a mother's sigh!

My name is music; can't you hear my song?
My name is music; and my voice lives on!
And I sing where're I go.
If you will listen then you'll know my name is music, I am your song!

SCENE VI - LIVE WITH HOPE

HOPE text by Pamela Stewart/ music by Greg Gilpin

It takes a breath and comes to life with ev'ry new born cry
and echoes in the laughter of the children running by.
It promises the morning when the night bird starts to sing
and dreams beneath the winter snow of giving birth to spring.
It reaches out and touches you; it takes you by surprise.
It rises from the ashes where the fire of love has died.
It beats within the frailest heart with gentle wings unfurled,
To be set free and fly into each corner of the world.
The quiet comfort of the dream you cling to in the dark
may kindle and awaken it, this candle of the heart.
The starry flame within your soul illuminates the way
and leads you through the deepest night into the light of day.
Hope is not lost, hope is not gone. It is not dead it still lives on
Though winds of fear and storms of doubt may try to dry or drown it out.
For in that place where nothing thrives, against all odds, hope will survive, hope will survive!
And though all else around me dies, hope will live on; hope will arise!

BETTER TOGETHER text and music by Jack Kugell, Hanna Jones and Matt Wong / arranged by Audrey Snyder

Don't have to win the golds all on your own, we're a team now we're stronger.
Don't gotta face the whole world all alone, 'cause we can go further.
The road could be hard and the night could be dark.
Like a jewel, shine brightly wherever we are.
If we stick to the dream, we'll never fall apart
Because we're better together, stronger side by side.
This is our moment, it's our time.
So we're different whatever. Ev'ryone can shine.
This is the moment of our lives 'cause we're better together.
Ev'ry one of us is more than strong enough.
But when we work together, we're a power that nothing else can touch.
Every piece makes us better.
We are stronger;
All of us together only makes us better.
We can do whatever.
